## INTERNATIONAL SEARCH REPORT

Information on patent family members

International application No.

**PCT/AU2005/000275**

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

| Patent Document Cited in<br>Search Report   |          | Patent Family Member |            |
|---|----------|----------------------|------------|
| CA  | 2281309  |                      |            |
| WO  | 02059446 | AU 16650/01          | EP 1364106 |
| US  | 5551529  |                      |            |
| Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001. |          |                      |            |
| END OF ANNEX  |          |                      |            |
